CONNECT 2019

Presented by OCEAN and the Network of Watershed Councils

CONNECT Scholarship Information:

- Again, this year, we are offering scholarships to those who need some assistance in attending CONNECT. Full Registration is \$250 per person and does NOT include hotel accommodations. Registration includes: Access to all sessions and session materials, all meals and snacks from Tuesday breakfast through Thursday Lunch.
- We again have a limited amount of scholarship funds available. So, when completing this form please take time to explain in detail why you should be awarded your request and demonstrate what you are doing to help cover what you can of the registration cost, travel, etc. Keep in mind, the committee may choose to give only a partial amount of your request in order to spread funds available.
- Some of the questions may not be applicable to your situation so please feel free to skip those.
- There is no set scholarship amount, so please look at your budgets and request the minimum amount of funds needed to send everyone wanting to attend CONNECT.
- If you are applying for multiple people in a single organization please use one application and be sure to include everyone attending CONNECT in your answers.
- Scholarship applications are due by **5 PM on January 31st**, but please submit requests ASAP. Early submission will not improve your chances, but will help us better evaluate our budget.
- The Contact listed on the form will be notified of the amount awarded via email by February 11th.
- Please wait to register until after you are notified of your awarded amount.
- If you have ANY questions please contact Lisa Mahon at connect@oceanconnect.org
