Meeting Minutes

The board postponed approving any minutes.

Accomplishments

The board reviewed the accomplishments since the last work session in 2012.

- Connect
- Website
- 501c3 significant progress
- Communications Plan/Marketing Plan
- Logo
- Awards Program for individuals and districts
- Recruitment with Connect (20+ on the committee including ODA, NRCS, and NOWC)
- Joint conference
- OACD Manager Track
- Name recognition
- Pay bills, still in the black
- Sponsorship committee
- Newsletter

The board talked about a way to efficiently manage the meeting. A “parking lot” was created for ideas that come up and need to be postponed to a later time in order to stay on topic.

Review Survey Results

Jeremy reviewed the results of the survey that was sent out. A main discussion point was issues with functioning better on the conference calls. Some ideas were:

- Work on telephone etiquette
- Work together on video conference
- Be more brief in calls
- At certain points give everyone an opportunity to give input

There were a lot of comments on question 10. The survey results and comments are attached to these minutes.

Small Group Discussion

The board broke up into small groups that brainstormed ideas of changes or additions to the monthly work schedule. After working in the small groups we rejoined and presented ideas to the board as a whole and discussed the ideas that each group came up with.

Meeting Summary

Jeremy reviewed what we covered for the day and the group adjourned for day 1 at 5:00PM.

The board reconvened at 8:00AM.
